SPANNER SETS

6PC METRIC 0° OFFSET DOUBLE RING LONG SPANNER SET

• INCLUDES: 8x10, 12x14, 13x15, 16x18, 17x19, 22x24mm

\$229

SP10036

- **DUAL FLAT DRIVE TECHNOLOGY** The dual flat ring end design allows for maximum contact between the tool and fastener. The extra contact means the applied torque can be increased and risk of damage to the fastener is decreased.
- Small head profile designed for working in confined spaces.
- Chrome Vanadium Steel (Cr-V) for high durability.

QUAD DRIVE

SP Tools patented **QUAD DRIVE** open end offers 4 times the gripping power of a standard ROE spanner by wrapping around the fastener and maximising the contact on the flat sides of the fastener head, not the points.
